ARIEL STITT

Full Stack Developer

ABOUT

Full Stack Developer searching for both frontend and backend opportunities to showcase years of experience connecting face to face, managing teams, and delivering clear communication.

EDUCATION

GENERAL ASSEMBLY ATLANTA 2017

GA's Web Development Immersive (WDI) intensive 12 week program prepares students to kick-start their career by learning how to build dynamic front end applications, using MVC frameworks, incorporating quality APIs, while learning the importance of collaboration and teamwork

PER SCHOLAS ATLANTA 2017

Per Scholas is a non-profit organization whose mission is to close the education divide and provide technological training by preparing individuals for the workforce with skills in computer hardware, operating systems, networking and security, and CompTIA certification.
